his conjurer; young ladies will still agricultural and horticultural fairs THE STALL STREET AS A PROPHET. read their destiny on the fortune which are held in every portion of the The Assionese is blowing its here belier's fingers and Jack-of-Hearts; old country during the antunnal months with more than usual fervor. Accord-ting to its own account it is a first-class fortune-teller—can take a survey of the political beavers, and presage what is going to transpire with unerring certains will ever form an opinion acto the result horse-race on the other." We agree ty. Indeed, if it is to be believed, it is for Congress in this district until he has with the Richmond Whig, in the exan infallible oracle whose voice is a fore-consulted the foresceing and far-sighted pression that there is much truth in the ranger, a precursor, a harbinger and the

on the composition of the compos

Persons who contrast the Appeal's reference to many questions which, present with its past predictions as to file Congressional canvass are left in doubt whether the editors of that Journal are utterly void of judgment or are governed by the belief that the end always justifies the means. There is in this Congressional district a clear antibalical majority of from seventeen to nineteen thousand. Official returns of elections for years past prove this beyond doubt. Yet the Appeal, which individuals are held in social or business life. Whenever one in seventees to many questions which, make men mental the months of more provided in the Eufaula, Alabama, with all its property and franchises, will be sold at auction on the first Thursday of next January, at Brunswick, Georgia. Some life control of the road directly to this city. It would be road directly to this city. It would be road directly to this city. It would be road directly to this city. There is a ring of speculators control of the road directly to this city. There is a ring of speculators control of the road directly to this city. There is a ring of speculators control of the road directly to this city. There is a ring of speculators control of the road directly to this city. There is a ring of speculators control of the road directly to this city. There is a ring of speculators control of the road directly to this city. There is a road direc yound doubt. Yet the Appeal, which social or business life. Whenever one has been seriously asking the public to believe its assertion that Colonel Keilar can obtain only one, two or three hundred votes in the entire district, now expresses the fear that he will prove strong enough to sleet Barbour Lewis. Was there ever anything so absurd as this attempt, in the face of official data respecting previous elections, to hold Lewis up as a hobgoblin to frighten the friends of Colonel Keilar and rally them ander Mr. Haynes's standard? What under Mr. Haynes's standard? What value can the public attach to the statements and assertions of a journal town in one as in another country achieves and unit wants his fee, and the woman statements and essertions of a journal try, and that country achieves the highest standard of morals and intelligence, and its people become statements the baldest absurdities. as facts? Judge Lewis has not the slightest chance of election. Even General Grant, in 1868, with his great popularity among the blacks, received only 6705 votes in the four counties of which this Congressional district is composed. Stace then the colored voting population has materially decreased, laving been drawn into the cotton-fields of Mississippi, Arkansas and North Alabama. No well informed man will deny this. What do subsequent votes show? They show that in 1859 W. B. Stokes, In 1870 Mr. Wissnet, Radieal condidate for Governor, received in these counties 5253 votes. In 1870 Mr. Wissnet, Radieal nominee for Governor, received in these counties 5253 votes. In 1870 Mr. Wissnet, Radieal nominee for Governor, received in these counties 5253 votes. In 1870 Mr. Wissnet, Radieal nominee for Governor, received in these counties 5253 votes. In 1870 Mr. Wissnet, Radieal nominee for Governor, received in the Southern backwoodsman and the Southern backwoodsman and the Southern backwoodsman are sentenced to make the contributor to the Southern States, published at Okolona, Mississippi, Arkansas and North Alabama. No well informed man will deny this conceptions of Boston of Boston of Boston of Boston in the Southern Inventors, for the Week Ending October 8, 1872.

To Southern Inventors, for the Week Ending October 8, 1872.

cevery Tennessean, when the late war possible about 300 fadriest votes in that observed in the search of the "hardest sort." There came desired in the search of the "hardest sort." There came admixture of populations of all these assertion, but fact, as shown by the observed in the search of the "hardest sort." There came and admixture of populations of all these assertion, but fact, as shown by the observed in the populations of all these in search of the "hardest sort." There came in the search of the "hardest sort." There came in the search of the "hardest sort." The came in the search of the "hardest sort." The came in the late war because it is a search of the search of the "hardest sort." The search of the "hardest sort." The search of the search o

when a was mass of stoild ignorance in public that he knew all about it, and on the twenty-fourth of October while riddealing the Arptal's figures, inclured the future as foliows:

Another table heretofore printed in the Academche shows that in 1989 General Grant reserved in these four countries only 6506 votes. Then the Radical vote reached its highest point. General Grant reserved in these four countries only 6506 votes. Then the Radical vote reached its highest point. General Grant hoping the hands of the strongest in the imagene were in flow of the first the security to be furnished by government. Southern men voted for flow in the security in the headest for their feedom and citizenships. The security in the frequency of the blacks now were included in the security of the security in the frequency of the security of the security in the frequency of the security in the frequency of the blacks now were first to the polls. Since, as the official figures show, the Radical vote has steadily decreased. At the security of th et. But he seemed auxious to convince

is an purpose, after this new lease of Judge Lewis. We have shown that, no power was secured, could induce him to contest, the Radical contest, the Radical could induce him to contest, the Radical could have shown that, no power was secured, could induce him to contest, the Radical could have shown that the contest, the Radical could have seen as secured could induce him to count to the research of the power was secured could induce him to contest, the Radical compound, E. Fabra, Covington, Martine, Car-coupling, Perry Brown, Louisville, Kentucky.

Grant's system is designed to force the people to the protection of the people to the protection of the one-man power as against the besotted, compound, E. Fabra, Covington, Martine, Car-coupling, Perry Brown, Louisville, Kentucky.
